

MCIR UPDATE

Early Hearing

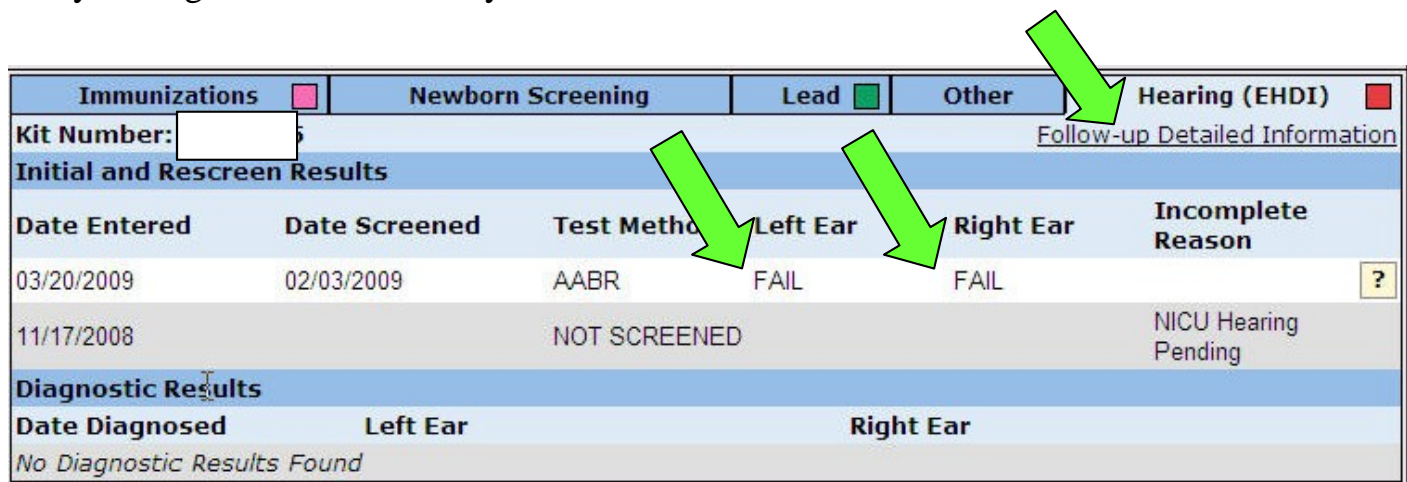

The Early Hearing Detection and Intervention (EHDI) Program is now on Michigan Care Improvement Registry (MCIR). Babies born in 2004 to present should have hearing screening results displayed on the **Hearing (EHDI)** tab.

High Risk Conditions : Edit							
<input checked="" type="checkbox"/> Influenza Screening Notification							
Immunizations <input type="checkbox"/>	Newborn Screening			Lead <input type="checkbox"/>	Other	Hearing (EHDI) <input type="checkbox"/>	
Series	Dose 1	Dose 2	Dose 3	Dose 4	Dose 5	Dose 6+	Status
	01/07/2009	03/30/2009	05/04/2009	12/14/2009			Up to date

Log on to MCIR to find the **Hearing (EHDI)** tab. Click on the **Hearing (EHDI)** tab to view results for each child born 2004 and after. If no tab is present, hearing screen results for this child have not yet been linked to MCIR.

Click on the [Follow-up Detailed Information](#) link to learn about appropriate next steps for babies that need follow-up. One of these babies could be in *YOUR* practice. Please help us make sure every child gets the services they need.

High Risk Conditions : Edit
