# 1

SELECT **UPDATE PROFILE**

Verify or edit your email, and phone numbers.

A white form titled 'Profile Information' with the subtitle 'Enter your profile information'. It contains several input fields: \*First Name, Middle Initial, \*Last Name, Suffix, \*Email Address, \*Confirm Email Address, \*Work Phone Number, and Mobile Number. Asterisks indicate required fields. The form is set against a light gray background.

# 2

SELECT **SECURITY OPTIONS**

Verify or edit your password recovery method, and security questions.

A white form titled 'Update Security Options'. At the top right, there is a progress bar with two steps: '1 Security Options' (active) and '2 Confirmation'. Below the progress bar, the form is titled 'Security Options' with the instruction: 'To choose your preferred password recovery method(s), please click on the buttons below. Multiple options can be selected.' There are three buttons: 'Email' (with an envelope icon), 'Mobile (Text/SMS)' (with a phone icon and a checked checkbox), and 'Security Questions' (with a question mark icon). A red arrow points from the 'SECURITY OPTIONS' button in the previous step to this form.

**FORGOT PASSWORD?** Reset or change your MIlogin password when modifying your MIlogin profile information by selecting **CHANGE PASSWORD**.
